

# Colour Book

Beautiful benchtops.  
ZERO silica.

SilkSurface™

SilkSurface fuses the beauty of natural stone with next generation technology. The result — a collection of robust yet elegant designs that enhance every space.

THE FINER DETAILS

**10 YEAR WARRANTY**  
On any finish or material

**100% SILICA FREE**  
Durability of stone — no downside

**EASY TO CLEAN**  
No risk of stains / non-porous surface

**HEAT RESISTANT**  
Suitable for use around cooktops

# A modern day masterpiece for any home

Dive into a world of sophistication and style with our collection of SilkSurface colours. Each hue has been curated to elevate your space with a touch of luxury and refinement.

Whether you're envisioning a serene sanctuary or a vibrant statement, our SilkSurface Colour Book offers endless possibilities.

Explore the artistry of colour and texture with SilkSurface – where elegance meets versatility.

# Applications for every space

SilkSurface presents a versatile, safe material ideal for kitchens, bathrooms, and laundries, ensuring a cohesive design across projects.

Combining the appeal of natural stone with safety, SilkSurface is an installer-friendly alternative to engineered stone. Like timber, it can be cut, sanded, and polished with ease, allowing for straightforward repairs in case of scratches or damages.

## Global GreenTagCert™ Certified

SilkSurface™ is proudly certified by Global GreenTagCert™, one of the world's most respected and recognised eco-label programs. This certification confirms that our products are free from relevant harmful substances and safe to use, reflecting our dedication to providing surfaces that promote healthier living and working spaces.

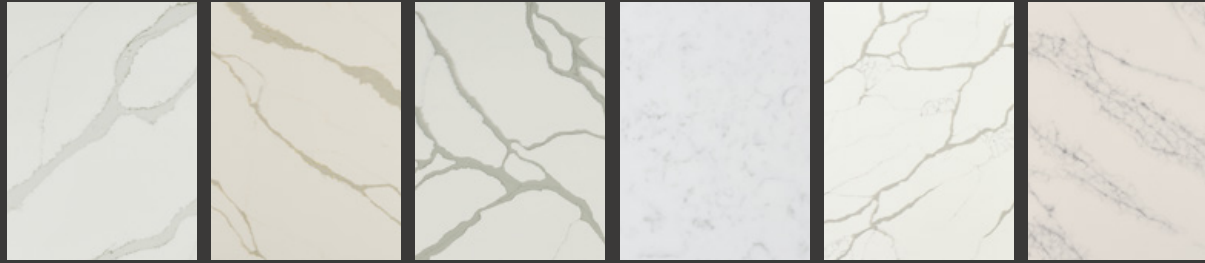

The SilkSurface™ ranges have been independently assessed by Global GreenTag International and have achieved a Global GreenTagCert™ PlatinumHEALTH™ HealthRATE™ certification under Global GreenTag's Product Health Declaration (GreenTag PHD™) program and a Global GreenTagCert™ Silica Free verification under the Global GreenTag McV™ program.

The background of the entire page is a close-up photograph of a marble slab. The marble has a light cream or off-white base color, with intricate, organic veins in shades of grey, tan, and gold. The veins vary in thickness and direction, creating a complex, natural-looking pattern. The lighting is soft, highlighting the subtle textures and colors of the stone.

INFINITY RANGE

# Topaz

Topaz is a translucent colour that can be backlit. Since it's a translucent slab, the colour may vary depending on the backing material and the room's lighting conditions.

# Cleaning & Care Guide

Wipe clean with a soft damp cloth or sponge. For basic stains, clean with mild detergents. It is recommended to periodically clean the surface with a mild non-abrasive cleanser to maintain a uniform appearance.

Avoid contact with strong chemicals such as paint removers, acetone, oven cleaners and other strong chemicals. Routine cleaning with soap, water and a sponge, or window cleaner and paper towel will remove most dirt and stains. For more stubborn stains, gently rub the stain with a scouring cleanser and a white/light coloured non-abrasive ScotchBrite-style pad and water. Always rub in a circular motion, then rinse and towel dry.

To keep your kitchen benchtop looking sparkling bright ask about our SilkSurface Care Kit with Benchtop Polish. It doesn't only clean, it leaves a silky smooth polished finish.
